OPERATION FLINDERS

ABOUT

OPERATION FLINDERS
COLOUR CHALLENGE

HOSTING

Interested in hosting a Colour Challenge? You don't have to be a school currently involved in the Operation Flinders program. Any school can give back and host an event.

Whether you're in metro Adelaide or rural South Australia, there's a Colour Challenge option for your school.

All you need to do is register your school, lock in a date and manage your students. We do the rest!

**NO OVERHEADS OR
CHARGES TO THE SCHOOL**

**NO MINIMUM
FUNDRAISING TARGETS
SET BY US!**

WHEN TO HOST THE EVENT

Schools have hosted the event as part of our pilot period, as part of the of term celebrations, and also start of the final term with a focus on year 12 students.

Incorporate the Colour Challenge into your school calendar or even host more than one!

- Part of sports day
- School carnival / fete
- Community day
- Senior School celebration
- Year 12 celebration
- End of term

\$12 per student

LOCK IN YOUR EVENT

OPERATION FLINDERS
COLOUR CHALLENGE

STEP 1

Lock in your Colour Challenge! Tell us your preferred date and time and the package you would like to proceed with

STEP 2

Set up your ticketing system. Some schools have an online portal where an item can be created. You can also choose to use a ticketing platform such as TryBooking or EventBrite, however these do add a ticketing fee

STEP 3

Start promoting! Operation Flinders will send you your Colour Challenge templates and posters to print or include in your newsletter.

STEP 4

Send Operation Flinders your students summary including t-shirt sizing and quantities so we can prepare all items for your event

If your school is hosting an Ultimate Colour or Colour Blast Challenge, Operation Flinders will do a site visit to ensure we have access to water and electricity. We may also require vehicle access directly to the oval.

Dates for 2021 have already started to be booked so make sure you lock in your event as soon as possible!

FUNDRAISING

OPERATION FLINDERS
COLOUR CHALLENGE

NO TARGETS

Operation Flinders Foundation does not require additional fundraising target to be reached for each event. There is no obligation to fundraise on top of the fee per student.

If the school would like to hold a sausage sizzle, sell additional colour merchandise or implement any other ideas, you are welcome to do so.

WHERE THE FUNDS GO

Funds from the Colour Challenges will go directly towards Operation Flinders Exercise expenses.

An example of the items we will be able to purchase thanks to events such as these are:

- Hiking boots
- Sleeping bags
- Food / rations
- Participant awards such as dog tags and boomerangs
- Packs
- Hutchies (tarps to sleep under)

POST-EVENT

Once your event has concluded, Operation Flinders Foundation will invoice the school the donation amount for the Colour Challenge.
